

NEW! IMPORTANT NOTICE ABOUT YOUR ACCOUNT

In late August and early September 2019, CUETS Financial cardholders were sent a letter to provide notice of important changes to your credit card account. Please refer to this letter and the account documents that were included in the letter for complete terms and conditions regarding the replacement of your CUETS Financial account with an MBNA account.

As part of this transition, cardholders will be able to access a new enhanced website with some exciting technology and service upgrades to improve your user experience.

The new online banking platform that will be available to MBNA credit cardholders will allow you to access rewards and account information all in one place. To register for MBNA online banking after the replacement of your CUETS Financial account with an MBNA account, you'll be required to create a new user name and password.

Over the transition weekend, from November 8 -12, 2019, your current online banking site will not be available due to the upcoming enhancements. We apologize for any inconvenience and thank you in advance for your cooperation as we seek to enhance your online banking experience.

Please note: If you currently receive paperless statements, beginning October 1, 2019, your next statement will be sent to you by mail. After November 12, 2019, you will be able to re-register for online banking and change your statement delivery preference back to paperless on the new system.
